

...or the Tory can win here

- 3 Peter's local community keeps re-electing him because it values him. That's why Peter is the right man to fight for us in Parliament.
- 2 Peter has worked at national level to help develop Lib Dem policies; the best ideas for a Fairer Britain, for the environment and with Vince Cable, the best ideas for fixing the economy.
- 1 Peter has lived in this area for over 20 years. He was a teacher in Bristol schools from 1974 and then ran his own business in Severn Beach. He has a strong record as a local campaigner and councillor, especially on environmental and planning issues.

Peter Tyzack The LOCAL choice

OK

- 2 As a Bristol councillor he supported the downgrading of Frenchay Hospital under the Bristol Health Services Plan.
- 1 A former Bristol councillor, he moved here from the other side of Bristol only after becoming their candidate.
